

WNG programme 2026-2027

Finally, I have produced a programme for next season, which I hope is OK for you all. The people put in charge are only there to help Janet get settled in, to be there if she is away or because you are running the night. They are not set in stone so if you are named and can't help, let us know in good time so we can rearrange.

Competition entries for WNG are to be sent **48 hours in advance** -that means on the **Monday** – to the following address:- hpswng@gmail.com

Label with the title followed by your name. If you are clever, the titles will start with a different letter of the alphabet so all entries will become randomised.

This address can also be used for other evenings but make sure someone knows that you've sent them.
